For standard 5-on-5 basketball, a free throw is 1 point, a field goal inside the arc is 2 and beyond the arc is 3. Record each scoring event and the updated score. Track player fouls and timeouts; apply your league's period lengths and foul limits. Not a 3x3 sheet.

Before play, confirm competition rules, time limits, substitutions and tie-break format with the organizer. These are original community worksheets, not governing-body official forms. Use the required official form when mandated.

Print portrait on Letter paper at actual size, or fit to printable area on A4. Print extra log pages for overtime, extra innings, extended sets or large rosters. Use the same game details on every continuation page.
