Each side throws four bags per round. Hole = 3; on board = 1; other bags = 0. Subtract the lower raw total from the higher: only that side scores the difference. Equal totals score zero. Finish the round; first to 21 or more wins. No exact-21 or bust rule in this format.

Before play, confirm competition rules, time limits, substitutions and tie-break format with the organizer. These are original community worksheets, not governing-body official forms. Use the required official form when mandated.

Print portrait on Letter paper at actual size, or fit to printable area on A4. Print extra log pages for overtime, extra innings, extended sets or large rosters. Use the same game details on every continuation page.
