Enter gross strokes on every hole, including penalty strokes. Total front nine (OUT) and back nine (IN), then add for gross total. Keep handicap deductions and net scores separate. Player and marker check and certify the hole scores. This sheet is for stroke play, not Stableford or match play.

Before play, confirm competition rules, time limits, substitutions and tie-break format with the organizer. These are original community worksheets, not governing-body official forms. Use the required official form when mandated.

Print portrait on Letter paper at actual size, or fit to printable area on A4. Print extra log pages for overtime, extra innings, extended sets or large rosters. Use the same game details on every continuation page.
