Enter goals chronologically with period, clock time, scorer and up to two credited assists. Record penalties separately, including duration and release time. Keep shootout attempts separate from regulation and overtime goals; apply the competition's final-score convention.

Before play, confirm competition rules, time limits, substitutions and tie-break format with the organizer. These are original community worksheets, not governing-body official forms. Use the required official form when mandated.

Print portrait on Letter paper at actual size, or fit to printable area on A4. Print extra log pages for overtime, extra innings, extended sets or large rosters. Use the same game details on every continuation page.
