Rally scoring: every rally awards a point. Standard indoor matches are best of five sets; sets 1-4 go to 25 and set 5 to 15, always win by two. Record the actual final points and set winner; do not add points across sets to determine the match winner. Note local format changes.

Before play, confirm competition rules, time limits, substitutions and tie-break format with the organizer. These are original community worksheets, not governing-body official forms. Use the required official form when mandated.

Print landscape on Letter paper at actual size, or fit to printable area on A4. Print extra log pages for overtime, extra innings, extended sets or large rosters. Use the same game details on every continuation page.
